Sir Robert Falconer, K.C.M.G., etc.,
President, University of Toronto,
Toronto, Ont.

Dear Sir Robert:-

I am sending you, confidentially, a letter written to me by Col. Peuchen with reference to his son. Would you kindly give it consideration as to what, in a case of that kind, can be done to mitigate what seems rather a hard position.

Yours very truly,

George E. Foster

Sir George E. Foster,
Minister of Trade and Commerce,
Toronto.

Dear Sir George Foster:

I am directed by the President to say that he received your letter on Saturday just as he was leaving for Winnipeg, that he will therefore be unable to take up the case of Mr. Fessenden personally with the Committee dealing with the matter, but that he has left instructions concerning it with the Secretary of the University.

Yours sincerely,

President's Secretary.
